SUPPLIER may not use the MYONEX name, logo or image in any public medium, publicity or advertising (including but not limited to press releases, web sites, tweets, promotional mailings, newsletters or interviews) nor otherwise publicise or disclose any information related to the existence of this Agreement or its terms and conditions, without MYONEX's prior written consent.

14. Non-Solicitation.

(a) Customer Non-Solicitation. SUPPLIER agrees that during the Term, SUPPLIER shall not directly or indirectly through any other person or business entity, solicit, call upon, contact, compete for, sell or market to, divert, or take away, or attempt to divert or take

away, any person or entity who was a customer of MYONEX during the Term, or who was actively solicited by MYONEX to be a customer during the Term.

(b) Employee Non-Solicitation. SUPPLIER agrees that during the Term and for twenty-four (24) months thereafter, SUPPLIER shall not directly or indirectly through any other person or business entity, (i) offer employment to or seek to engage the services of any MYONEX employee, or (ii) call upon, contact and/or solicit any MYONEX employee in any manner that would reasonably be expected to result in such employee terminating his or her relationship with MYONEX.

(c) Tolling. In the event SUPPLIER violates any of the restrictions contained in Sections 14(a) or 14(b), the restrictive period contained in those Sections shall not run during the period in which the SUPPLIER is in breach of the provision(s).

15. Assignment. This Agreement may not be assigned by the Parties, by operation of law or otherwise, without the prior written consent of the other Party, which shall not be unreasonably withheld. Any permitted assignee will assume the rights and obligations of the assignor under this Agreement.

16. Indemnification.

(a) Indemnification by SUPPLIER. SUPPLIER hereby agrees to indemnify, defend and hold harmless MYONEX, its Affiliates, and their respective officers, directors, employees and agents from and against any and all Losses that arise out of, or in connection with, SUPPLIER's or its Agents' (i) negligent or intentional act or omission; (ii) breach of any representation, warranty, covenant, or other provision of this Agreement; (iii) violation or infringement of any third party patent(s) or intellectual property right(s); or (iv) violation of any Applicable Law.

(b) Notification of Claims. The Party wishing to seek indemnification under this Agreement (the "**Indemnified Party**") shall notify the Party against whom indemnification is sought (the "**Indemnifying Party**") in writing of the asserted claim. Failure to provide such notice, which substantially prejudices the Indemnifying Party's ability to defend such claim or action, may invalidate the obligation of indemnification to the extent the Indemnifying Party is prejudiced by the delay of notice. The Indemnified Party must authorize and permit the Indemnifying Party to exercise sole control of the defence and disposition of any claim or action, including all decisions related to litigation, appeal or settlement, provided, however, that the Indemnifying Party shall not settle any claims or action that would be deemed to confess wrongdoing or require action or inaction on the part of the Indemnified Party without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, the Indemnified Party shall nevertheless be entitled to retain separate counsel at its own cost to participate in such matter; however, the Indemnifying Party shall have sole case management authority. Each Party shall cooperate with the other Party in every reasonable way to facilitate the defence of any such claim.

17. Severability. In the event any portion of this Agreement shall be held illegal, void or ineffective, the remaining portions of this Agreement shall remain in full force and effect, and the illegal, void or ineffective portion shall be equitably reformed in accordance with the intent of the original provision to the extent necessary to make it fully valid and enforceable. If any of the terms or provisions of this Agreement are in conflict with any applicable statute or rule of law, then such term(s) or provision(s) shall be deemed inoperative to the extent that they may conflict therewith and shall be deemed to be modified to conform with such statute or rule of law.

18. Non-Waiver of Rights. No failure or delay on the part of either Party under this Agreement in either exercising or enforcing any rights will operate as a waiver of any other right under this Agreement or of any other breach or failure by the other Party, whether of a similar nature or otherwise. No waiver of any right under this Agreement will have effect unless given in a signed writing.

19. Notice. Any report or notice required or permitted to be given under this Agreement shall be effective when received. All notices shall be in writing and given personally or by prepaid certified mail, return receipt requested, or sent by a nationally-recognized overnight courier addressed to each Party's address set forth in the respective Order. In addition, a copy of any notices to MYONEX under this Agreement shall be sent via email to legalnotices@myonex.com.

20. Audits and Inspections.

(a) SUPPLIER agrees to maintain accurate and complete records of all contracts, shipping records, drug pedigrees, papers, correspondence, accounts, invoices, data reimbursable out of pocket expenses and/or other information in SUPPLIER's possession relating to this Agreement, the Products and the Services (collectively, the "Records") during the Term and thereafter for a period of three (3) years following the expiration or termination of any Order, at SUPPLIER's sole cost.

(b) SUPPLIER agrees to permit MYONEX or any person or entity designated by MYONEX to examine and audit the Records, and to access and inspect the facilities that are involved in the provision of the Services and compliance by SUPPLIER with the terms of this Agreement, with prior written notification and during normal business hours, during the Term and for a period of five (5) years following the expiration or termination of any Order, at MYONEX's sole cost.

21. Compliance with Law. SUPPLIER shall comply with any and all Applicable Laws and regulations applicable to performance of the Services, including but not limited to health, safety and security rules and regulations.

22. Intellectual Property.

(a) MYONEX Intellectual Property. MYONEX and its licensors shall retain all Intellectual Property Rights in MYONEX Materials and no right or license is granted to SUPPLIER in respect of MYONEX Materials.

(b) SUPPLIER Intellectual Property. SUPPLIER and its licensors shall retain all Intellectual Property Rights in the SUPPLIER Materials and no right or license is granted to

MYONEX in respect of the SUPPLIER Materials, except that MYONEX, its Affiliates and MYONEX's customers are granted a perpetual, fully paid worldwide right to use and modify any SUPPLIER Intellectual Property incorporated into any deliverable under any Order in order to utilise such deliverables for their intended purposes.

23. Force Majeure. If a Party is prevented, hindered or delayed in or from performing any of its obligations under this Agreement by a Force Majeure Event ("**Affected Party**"), the Affected Party shall not be in breach of this Agreement or otherwise liable for any such failure or delay in the performance of such obligations. The time for performance of such obligations shall be extended accordingly. If the Force Majeure Event prevents, hinders or delays the Affected Party's performance of its obligations for a continuous period of more than 60 days, the Party not affected by the Force Majeure Event may terminate the Agreement immediately upon written notice to the Affected Party.

24. Headings. The headings contained in this Agreement are for convenience of reference only and shall not affect or alter the meaning or effect of any provision of this Agreement.

25. Successors. This Agreement and all the rights, obligations, duties, representations, warranties and covenants of each Party shall inure to the benefit of, and shall be binding upon, their respective successors (including by operation of law) and permitted assigns.

26. Counterparts. This Agreement, any Order under this Agreement and any amendments may be executed in counterparts, each of which shall be deemed an original, and all of which taken together shall constitute one and the same instrument. Each party may execute this Agreement, any Order and any amendments by facsimile, scanned electronic signature or certified electronic signature which shall be as effective as an original signature.

27. Conflicts. If there is any conflict, discrepancy, or inconsistency between the terms of this Agreement and any Order, the terms of this Agreement will prevail unless the Parties specifically reference in the Order that a particular provision of this Agreement is being superseded, in which case, for such Order only, such provision will be superseded. If there is any conflict, discrepancy, or inconsistency between the terms of this Agreement and the Quality Agreement, if any, the terms of the Quality Agreement will prevail with respect to technical and quality obligations only. The terms of this Agreement may not be modified or supplemented by any subsequent documents or communications between the Parties except for amendments jointly executed by the Parties.

28. Variation. This Agreement may be varied only with a written instrument duly executed by each of the Parties' authorised representatives.

29. Entire Agreement. This Agreement, including any executed Quality Agreement and/or Orders, each of which are incorporated, constitute the entire agreement between the Parties with respect to the specific subject matter of this Agreement. There are no other written or oral understandings, promises, agreements, statements, or representations between the Parties directly or indirectly related to this Agreement that are not set forth in this Agreement. This Agreement

has not been executed in reliance upon any representations or promises except those contained in this Agreement.

30. Governing Law and Jurisdiction. The terms and provisions of this Agreement shall be governed by, construed and interpreted pursuant to the laws of England. Each Party irrevocably agrees that the courts of England shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with this Agreement or its subject matter or formation.
